

Quality Policy Statement

1. Policy

- 1.1 Speedclad Limited is committed to providing specialist cladding, facade and envelope services that meet the requirements, and wherever possible exceed the expectations, of our clients and other interested parties. In support of this, Speedclad operates a Business Management System that complies with the requirements of ISO 9001:2015 to ensure that the business's quality management system and overall performance is continually improved, and that the satisfaction of clients and other interested parties remains the primary focus of the organisation.

2. Quality Objectives

- 2.1 Quality Objectives shall be set in line with this policy at relevant functions and levels of the organisation. These objectives are documented in the Business Plan and regularly monitored and reviewed.

3. General

- 3.1 The framework of provisions for quality management, and the related responsibilities, processes and procedures, are set out in the Business Management System
- 3.2 The Directors are responsible for ensuring that the Business Management System continues to be suitable, adequate and effective and, as part of this, shall review the quality policy and objectives regularly.
- 3.3 The Directors shall ensure that the requirements and intent of the quality policy and objectives are communicated to, and understood by, all employees.
- 3.4 Employees are responsible for carrying out their duties in line with the requirements of the Business Management System and shall receive training to enable them to operate the system and meet standards for quality.
- 3.5 Employees shall report any conditions, activities or occurrences that may render the Business Management System ineffective and therefore jeopardise quality standards.
