

## CAD Designer Opportunity

### Who we are

Speedclad is a leading cladding and curtain walling facades contractor carrying out design, supply and installation packages for high profile clients. We operate from offices in Northallerton, Birmingham and Doncaster and work on a national basis on a range of projects across the public, leisure, education, retail, commercial, health and industrial sectors. Our contracts range from £100,000 to in excess of £5.5 million.

Speedclad is a forward-thinking and motivated company with an established reputation for innovation, professionalism and high levels of client care. We are an enthusiastic team, committed to maintaining excellent standards of quality, health, safety and sustainability, whilst offering our clients best value. At Speedclad we recognise the importance of promoting enjoyable employment and we value our staff and support their development.

### The Opportunity

Following continual growth and ongoing success we are now looking to expand our Design Team at our Head Office in Northallerton with the addition of an experienced CAD Designer. The successful candidate will be joining a dynamic and motivated team at an exciting time in the company's development.

Among other responsibilities, you will be expected to:

- Produce design information in agreed timescales.
- Update preliminary design information as instructed.
- Review new and revised architect/ contractor drawings when received and advise where required of any changes that affect Speedclad's works.
- Amend drawings as instructed.
- Update drawings to 'As Built' status for inclusion in O&M Manuals.
- Produce site installation drawings as required to aid site teams.
- Produce the required fabrication drawings for various products.

### What you will need

- Relevant experience and/or qualifications with AutoCAD.
- Experience with Revit would be of benefit though not necessary.
- Relevant experience with façade designs (rainscreen cladding/ curtain walling), and the related technical understanding.
- Good computer skills, proficient in the use of Microsoft Office applications.

### What we are looking for

- A self-motivated attitude and enthusiastic approach; the ability to work on your own initiative.
- A team focus with the ability to interact with a wide variety of people at all levels.
- A professional manner and the commitment to maintain Speedclad's high standards of service and the delivery of a quality product.
