

Site Manager & Site Supervisor Opportunities

Who we are

Speedclad is a leading facades contractor carrying out cladding and curtain walling, design, supply and installation packages for high profile clients. We operate from offices in Northallerton, Doncaster and Birmingham and work on a national basis on a range of projects across the public, leisure, education, retail, commercial, health and industrial sectors. Our contracts range from £100,000 to in excess of £6 million.

Speedclad is a forward-thinking and motivated company with an established reputation for innovation, professionalism and high levels of client care. We are an enthusiastic team, committed to maintaining excellent standards of quality, health, safety and sustainability, whilst offering our clients best value. At Speedclad we recognise the importance of promoting enjoyable employment and we value our staff and support their development.

The Opportunity

Following continual growth and ongoing success, and with a robust forward order book, we are seeking experienced facades Site Managers and Site Supervisors to work on rainscreen cladding and curtain walling projects across the Midlands, North East and North West.

You will be responsible for the on-site management of projects throughout the construction phase, including working to our integrated business management system to ensure that all health and safety, quality, programme and resourcing requirements are met. You will manage teams of skilled operatives and liaise with our clients and wider project team members.

What you will need

You will need to have as a minimum:

- Appropriate experience and technical knowledge in the construction of rainscreen cladding and/or curtain walling and glazed facades.
- NVQ Level 3 Site Supervision or equivalent.
- CSCS Site Supervisor card.
- SMSTS/ SSSTS is preferred though not necessary.
- Good computer skills; proficient in the use of Microsoft Office applications.
- Full, clean UK driving license.

What we are looking for

- A self-motivated attitude and enthusiastic approach; the ability to work on your own initiative.
- A team focus with the ability to interact with a wide variety of people at all levels.
- Confidence and excellent all-round communication skills to complement an organised approach
- A professional manner and the commitment to maintain Speedclad's high standards of service and the delivery of a quality product.
